Larimer County
Health Care Program for Children with Special Needs (HCP) Team
1525 Blue Spruce Drive
Fort Collins, CO 80524
(970) 498-6747

| | |
|---|---|
| <p><u>Team Leader/Community Health Services Director</u> Averil Strand, RN, MSN (970) 498-6760</p> | <p>The HCP Team Leader is responsible for overseeing the activities of the entire team and ensuring that State requirements are met. In Larimer County the Team Leader serves on a number of advisory boards and interacts with providers from other agencies to ensure that families of children with special needs receive adequate services.</p> |
| <p><u>Program Coordinator</u> Ginger Hillyard , BSW (970) 498-6732</p> | <p>The Program Coordinator is responsible for providing technical assistance to the HCP Team, ensuring that administration requirements are met, coordinating team activities and supporting team members' needs. Provides intake services to families which may include assignment to an HCP staff member and/or referrals to other resources.</p> |
| <p><u>Social Worker</u> Anne Chaisson, MSW (970) 498-6733</p> | <p>A Social Work Coordinator is part of the HCP team, and is available to provide care coordination services to families of children with special needs, including: referrals to health and community based services, supportive counseling to families, and advocacy services. The social worker helps families to identify the strengths they have in caring for a child with special needs as well as areas where they need support.</p> |
| <p><u>Public Health Nurse</u> Cindy Bradrick RN, BSN (970) 498-6747</p> | <p>An HCP Nurse Consultant provides services to families who have special needs through family-centered, collaborative, coordinated care in order to promote optimal health, development and disease prevention. This could include supporting families as they learn about medical needs of their children, connecting families to services that could benefit their child's needs, advocating for parents about health care issues.</p> |
| <p><u>OT/PT Regional Coordinator</u> <u>SLP Regional Coordinator</u> Caryn Stanwyck, MS, PT (970) 691-1223</p> | <p>Assist families to connect with appropriate occupational, physical and speech therapy providers. May provide consultations as well assistance in seeking out available resources for therapies, durable medical equipment and other therapeutic needs.</p> |

| | |
|---|---|
| <u>Nutrition Regional Coordinator</u> Donna Uhlrich, RD (970) 217-5250 | As a member of the HCP team, the Registered Dietitian provides nutrition and growth assessment, documentation, and education along with ongoing support and referral to families of children with special nutritional and physical needs. Available to provide monitoring of growth (height, weight, etc.). Provides nutrition education throughout the community and coordinates nutritional care between local agencies, physicians, and families. |
| <u>Audiology Coordinator</u> Nancy Alexander (970) 586-6812 | An HCP Audiology Coordinator provides services to families with audiology concerns in seeking out available resources and monitoring newborn hearing screening. |
| <u>CO-HEAR Regional Coordinator</u> Annette Landes, SLP (970) 217-9532 | Supports families of children with hearing loss through the Colorado Home Intervention Program for Families of Young Deaf and Hard of Hearing Children in Larimer and Weld Counties. |
| <u>Regional Family Coordinator</u> Brenda Tuttle (970) 267-8705 | As the parent of a child with special health care needs, the regional family consult offers other families emotional support as well as relaying information on available resources and educational opportunities, and advocating for families. She represents families on Foothills Gateway Inc. Family Support Services Program Council, Parent to Parent Advisory Board and JFK Partners Advisory Board. |
| <u>Early Periodic Screen Diagnosis and Treatment (EPSDT)</u> Kim Walkenhorst EPSDT Coordinator (970) 498-6755, | Your local EPSDT Outreach office assists families with children on Medicaid in finding Medicaid providers, understanding benefits, scheduling appointments, finding resources in the community and resolving Medicaid eligibility issues. EPSDT Outreach Workers also work closely with community agencies and provider offices and can offer assistance in verifying Medicaid eligibility, providing Medicaid ID numbers and working with families who have missed appointments. |

At the Health Care Program for Children with Special Needs (HCP), professionals and families work as a team. HCP provides information, referral to services and support. Families make choices and take action. Together, we help children with special health needs get what they need and grow to be their healthiest, as well as reach the full potential of their independence.
